CBIA fees are based on your Connecticut payroll and administered on a calendar-year basis. A member’s initial fee, therefore, is prorated based upon the time of year membership begins.

First-year charges:

► **1st quarter** (Jan., Feb., March) – 100 percent
► **2nd quarter** (April, May, June) – 75 percent
► **3rd quarter** (July, Aug., Sept.) – 50 percent
► **4th quarter** (Oct., Nov., Dec.) – 100 percent (includes following year’s fee)

*For companies with an annual Connecticut payroll of $1,000,000 or more, dues equal $900 + ($0.35 per $1,000 of payroll in excess of $1,000,000).
The maximum dues are $37,000.

For federal income tax purposes, CBIA membership dues are deductible as business expenses, not as charitable contributions. Lobbying expenses are not deductible for federal tax purposes. Approximately 20% of dues are used by CBIA for lobbying activities, including grassroots advertising. This portion of your dues is therefore not tax deductible. Dues, once paid, are not refundable.
