

Dental Rewards[®]

We let you “earn” additional money toward your future annual maximum benefit, so it’s available when you need it most.

Qualify For Rewards By

- Submitting at least one dental claim per year.
- Keeping your total paid claims under the plan’s annual benefit threshold.

Plus, if you visit one of our network providers, you are eligible for an additional PPO bonus carryover amount.

To earn rewards in subsequent years, follow the same guidelines. Rewards may be accumulated from one year to the next, up to the maximum reward accumulation amount.

Rewards Will Not Be Earned When

- Your total annual paid dental claims exceed the benefit threshold.
- No dental claims for covered procedures are submitted during the year. If this happens, no rewards are earned and all accumulated rewards from previous years are given up. However, you can continue building rewards again the very next year.
