

ConnectiCare Pharmacy Plans (2020)

For use when completing the Disclosure to CMS Form.

The following will help the employer with information about the number of prescription drug options offered and whether they are creditable according to Part D guidelines.

Use the following grid to determine the number of unique prescription drug plans (center column), based on which medical plans are offered to the group. The number of prescription drug options offered will vary by employer group.

ConnectiCare Medical Plan(s)	Retail Prescription Drug Plans	Status
