8 more reasons to choose ConnectiCare

1 New for 2020: Plans with routine adult dental coverage

We know employees value dental coverage. That's why we have new plans with embedded adult dental coverage for preventive exams, cleanings and x-rays. And, there's no cost for these services if they see a participating provider.

2 Saving time and money with HSA- and HRA-compatible plans

The employees save on taxes and the employer saves time and money with the help of HealthEquity and ConnectiCare. HealthEquity receives enrollment transactions and member claims which makes administration easy, and we cover the cost of setting up the accounts and monthly fees.

3 Extra support to keep employees healthy and at work

When employees are absent, it can really affect small businesses. We offer support to our members when they're sick or don't know where to turn with our nurses, social workers, pharmacists, and health care resources.

4 Exclusive member discounts

Members can save on everyday items and major purchases: Gym memberships, glasses and contacts, acupuncture and massage, vacations and more. Learn about discounts on these products and services – and many more – at connecticare.com/discountprograms.

5 Teaming up with doctors for better outcomes

ConnectiCare has strong, longstanding relationships with the doctors and hospitals in our network. Many have committed to collaborative monitoring and management. We work hand-in-hand with our providers to see that our members get the care they need. These collaborations have proven to drive better outcomes for our members, including a **14% decrease in overall costs**.¹

6 Peace-of-mind coverage, near or far

Our FlexPOS plan network gives members the most flexibility, with state, regional, and national network coverage.

7 Dedicated support from a dedicated team

With decades of experience in the health care industry and client service, our Small Group sales team provides responsive service that you and your clients can rely on. This includes plan design recommendations, acquisition and renewal strategies, and quick turnaround of new group installations.

8 Powered by people

Businesses and individuals who choose ConnectiCare discover that we're more than just a health insurance company. We're people driven to support their health every step of the way. Our member calls are answered right here in the state, and members can meet with us in person and attend events at ConnectiCare centers around Connecticut.
