

Fixed Funding Solutions

ConnectiCare and CBIA

Working together since 2000

We're two Connecticut-based businesses focused on the health of our state and the people who live and work here.

When you choose Fixed Funding Solutions, you're choosing to work with two companies that *know and love* Connecticut and its residents.

Administrative services and stop loss coverage are provided by ConnectiCare Insurance Co., Inc. A fixed monthly payment covers estimated claims funding amount, stop loss premium, run-out claims and administrative fees. Contribution, participation and acceptance rules apply. Surplus sharing occurs if the plan is renewed into the Fixed Funding Solutions product suite and total medical costs are less than the medical costs paid out after a 90-day run-out period. This material is for informational purposes only and is neither an offer of coverage nor an invitation to contract. Plans are subject to limitations and exclusions.

Fixed Funding Solutions

A new option for Connecticut businesses

Insurance premiums have risen dramatically, due, in part, to Affordable Care Act (ACA) requirements. ACA-related taxes and mandatory benefit requirements contribute to the higher costs.

Enter Fixed Funding Solutions, a suite of self-funded plans for businesses with five or more employees. These plans aren't subject to all of the ACA requirements, which means companies may see lower rates than they would with traditional fully-insured plans.

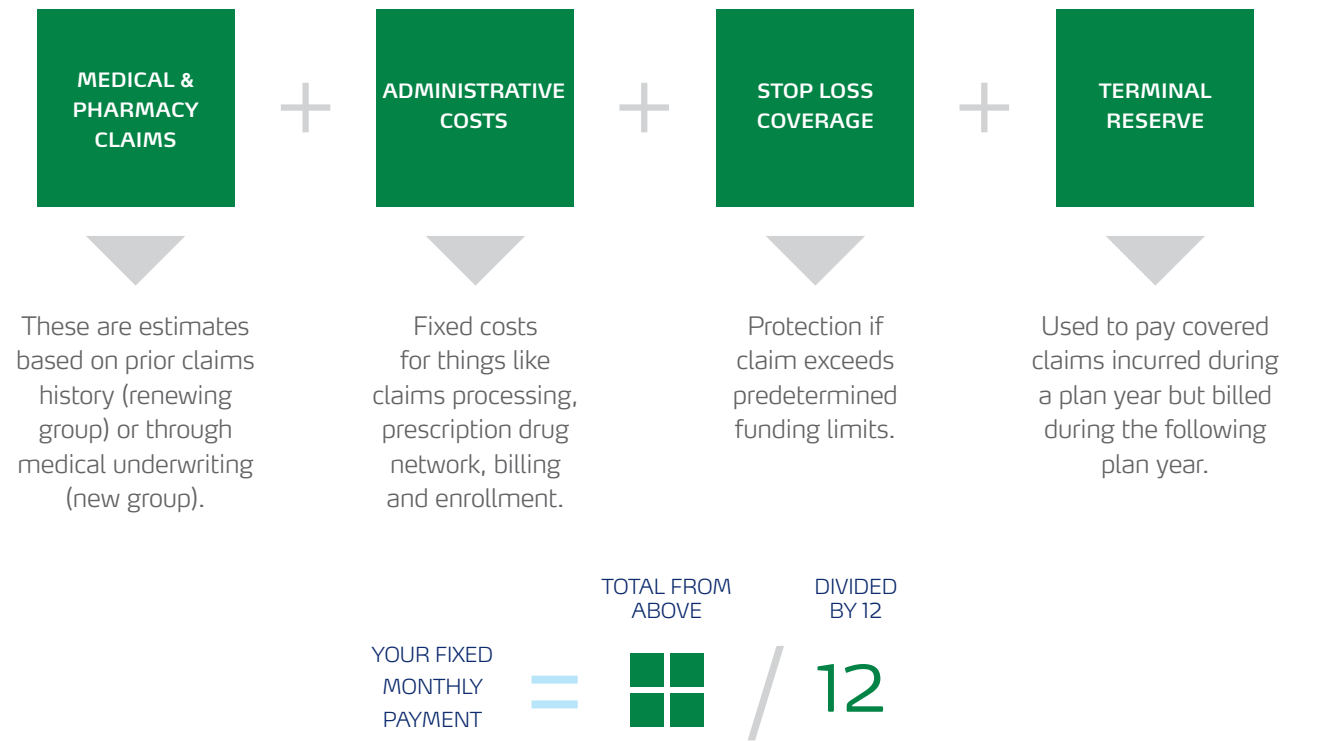

Fully-Insured Plan	Self-Funded Plan	Fixed Funding Solutions Plan
An employer contracts with a health insurance carrier that assumes financial responsibility for medical and pharmacy claims. These plans are subject to state mandates and ACA-related taxes.	An employer assumes financial responsibility for paying medical and pharmacy claims. The employer may buy additional coverage to protect against large claims.	An employer makes a fixed payment each month to fund an account used to pay claims, administrative costs and premiums for additional coverage to protect against large claims.

Plan features provide choice and cost savings

Network

All Fixed Funding Solutions plans use ConnectiCare's FlexPOS network, giving your employees flexibility, with no referrals to see specialists and in-network coverage through:

- Our regional network that includes all of Connecticut and extends into New York, Massachusetts and Rhode Island. In Connecticut, we have EVERY hospital and most of the doctors, too.
- A national provider network that lets your employees get care across the United States.

Prescription benefits

Fixed Funding Solutions includes two programs through Express Scripts to help lower costs:

- **Smart90**

Enrollees who take maintenance medications make a choice: get a 90-day supply through home delivery or pick up 90-day supplies at a Walgreens or Walgreens-affiliated pharmacy. This means less trips to the pharmacy and money savings — three months' worth of medicine for the cost of two, applicable to HSA-compatible plans once the deductible has been met.

- **ValueRX**

HSA-compatible plans include coverage for generic medicines that treat some common health conditions at a lower cost. There is no cost share for these medicines and they're exempt from the plan deductible.

HSA management has never been easier

HSA-compatible plans can include a partnership with HealthEquity for HSA management. HealthEquity takes care of all enrollment transactions and member claims so you or your staff don't have to.

All you have to do is elect this benefit; all your employees have to do is sign up.

GET REWARDED FOR GOOD CLAIMS PERFORMANCE

When your company's claims performance is better than expected in a given plan year, you'll be rewarded with a percentage of the surplus as long as you renew into the Fixed Funding Solutions product suite.

Please note: Surplus sharing is determined after a 90-day claims run-out period.
