- Under this program covered prescription drugs and supplies are put into categories (i.e., tiers) to designate how they are to be covered and the member's cost-share. The placement of a drug or supply into one of the tiers is determined by the ConnectiCare Pharmacy Services Department and approved by the ConnectiCare Pharmacy & Therapeutics Committee based on the drug's or supply's clinical effectiveness and cost, not on whether it is a generic drug or supply or brand name drug or supply.
- Most Specialty drugs are dispensed through Specialty Pharmacies by mail, up to a 30-day supply. Specialty Pharmacies have the same Member Cost Share as all other participating pharmacies and are not part of ConnectiCare's Voluntary Mail Order program. The Member Cost Share for Specialty Pharmacy is different from the Cost Share for ConnectiCare's Mail Order program.

### Massachusetts Requirement to Purchase Health Insurance
