Benefit Summary
Non-Tiered Network Plan

The individual deductible and out-of-pocket maximum applies if you have coverage only for yourself and not for any dependents. The family deductible and out-of-pocket maximum applies if you have coverage for yourself and one or more eligible dependents. In addition, if you have family coverage, any applicable copayments or coinsurance will not apply to services until the total deductible is met for the family, without regard to how much any one family member has met. No one member will exceed an in-network out-of-pocket maximum greater than $9,100.

✔ This health Plan meets Minimum Creditable Coverage standards and will satisfy the individual mandate that you have health insurance. Please refer to the "Important Information" section of this Benefit Summary for additional information.

- Under this program covered prescription drugs and supplies are put into categories (i.e., tiers) to designate how they are to be covered and the member's cost-share. The placement of a drug or supply into one of the tiers is determined by the ConnectiCare Pharmacy Services Department and approved by the ConnectiCare Pharmacy & Therapeutics Committee based on the drug's or supply's clinical effectiveness and cost, not on whether it is a generic drug or supply or brand name drug or supply.
- Most Specialty drugs are dispensed through Specialty Pharmacies by mail, up to a 30-day supply. Specialty Pharmacies have the same Member Cost Share as all other participating pharmacies and are not part of ConnectiCare's Voluntary Mail Order program. The Member Cost Share for Specialty Pharmacy is different from the Cost Share for ConnectiCare's Mail Order program.
