PLAN DESIGN AND BENEFITS - CT HNOption 2000 HD 20/35 / 2000 HD 20/35 A 51+

PLAN FEATURES	PARTICIPATING PROVIDERS	NON-PARTICIPATING PROVIDERS
Deductible (per calendar year)	\$2,000 Individual	\$3,000 Individual
	\$4,000 Family	\$6,000 Family

Unless otherwise indicated, the Deductible must be met prior to benefits being payable.

All covered expenses accumulate separately toward the participating and non-participating Deductible.

Member cost sharing for certain services including member cost sharing for prescription drugs, as indicated in the plan, are excluded from charges to meet the Deductible.

Once the Family Deductible is met, all family members will be considered as having met their Deductible for the remainder of the calendar year. No one family member may contribute more than the Individual Deductible amount to the Family Deductible.

Member Coinsurance	Not Applicable	30% after deductible
Out-of-Pocket Maximum	\$3,000 Individual	\$8,000 Individual
(per calendar year, includes deductible)	\$6,000 Family	\$16,000 Family

Member cost sharing for certain services may not apply toward the Out-of-Pocket Maximum.

All covered expenses accumulate separately toward the participating and non-participating Out-of-Pocket Maximum. Once the Family Out-of-Pocket Maximum is met, all family members will be considered as having met their Out-of-Pocket Maximum for the remainder of the calendar year. No one family member may contribute more than the Individual Out-of-Pocket Maximum amount to the Family Out-of-Pocket Maximum.

Only those out-of-pocket expenses resulting from the application of coinsurance percentage, deductibles and copays (not including any prescription drug copays or penalty amounts) may be used to satisfy the Out-of-Pocket Maximum. Members must continue to pay any prescription drug copays and penalty amounts after meeting their Out-of-Pocket Maximum.

Health Incentive Credit Program	Incentive Rewards will be credited towards the deductible and Out-of-Pocket Maximum. Simple Steps Health Assessment and one Online Wellness Program \$50.00 per employee and/or spouse with a family limit of \$100.00 per year for completion of the Health Assessment and one Online Wellness Program.	
Wellness Programs through Simple Steps Reward		
Lifetime Maximum	Unlimited	Unlimited
Payment for services from a Non-Participating Provider*	Not Applicable	Professional: 110% of Medicare Facility: 140% of Medicare
Primary Care Physician Selection	Not Required	Not Applicable

Precertification Requirement

Certain non-participating provider services require precertification or benefits will be reduced. Refer to your plan documents for a complete list of services that require precertification.

Referral Requirement	None	None
PHYSICIAN SERVICES	PARTICIPATING PROVIDERS	NON-PARTICIPATING PROVIDERS
Primary Care Physician Visits	\$20 copay; deductible waived	30% after deductible
Specialist Office Visits	\$35 copay; deductible waived	30% after deductible
Pre-Natal Maternity	\$0 copay; deductible waived	30% after deductible
Allergy Treatment	Same as applicable participating provider office visit member cost sharing	30% after deductible
Allergy Testing	Same as applicable participating provider office visit member cost sharing	30% after deductible

PLAN DESIGN AND BENEFITS - CT HNOption 2000 HD 20/35 / 2000 HD 20/35 A 51+

*We cover the cost of services based on whether doctors are "in network" or "out of network." We want to help you understand how much Aetna pays for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care.

You may choose a provider (doctor or hospital) in our network. You may choose to visit an out-of-network provider. If you choose a doctor who is out of network, your Aetna health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital.

When you choose out-of-network care, Aetna limits the amount it will pay. This limit is called the "recognized" or "allowed" amount. When you choose out-of-network care, Aetna "recognizes" an amount based on what Medicare pays for these services. The government sets the Medicare rate.

Your doctor sets his or her own rate to charge you. It may be higher -- sometimes much higher -- than what your Aetna plan "recognizes." Your doctor may bill you for the dollar amount that Aetna doesn't "recognize." You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the "recognized charge" counts toward your deductible or out-of-pocket maximums. To learn more about how we pay out-of-network benefits visit Aetna.com. Type "how Aetna pays" in the search box.

You can avoid these extra costs by getting your care from Aetna's broad network of health care providers. Go to www.aetna.com and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Aetna Navigator member site.

This applies when you *choose* to get care out of network. When you have no choice (for example: emergency room visit after a car accident, or for other emergency services), we will pay the bill as if you got care in network. You pay cost sharing and deductibles for your in-network level of benefits and you should contact Aetna if your provider asks you to pay more. You are not responsible for any outstanding balance billed by your providers for emergency services beyond your cost sharing and deductibles.

What's Not Covered

This plan does not cover all health care expenses and includes exclusions and limitations. Members should refer to their plan documents to determine which health care services are covered and to what extent. The following is a partial list of services and supplies that are *generally not covered*. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased.

- All medical or hospital services not specifically covered in, or which are limited or excluded by your plan documents, including costs of services before coverage begins and after coverage terminates.
- · Cosmetic surgery.
- · Custodial care.
- · Dental care and x-rays.
- · Donor egg retrieval.
- Experimental and investigational procedures (except for coverage for medically necessary routine patient care costs for Members participating in a cancer clinical trial).
- · Home births.
- · Immunizations for travel or work.
- · Implantable drugs and certain injectible drugs.
- · Nonmedically necessary services or supplies.
- · Orthotics.
- Over-the-counter medications and supplies.
- · Radial keratotomy or related procedures.
- · Reversal of sterilization.

PLAN DESIGN AND BENEFITS - CT HNOption 2000 HD 20/35 / 2000 HD 20/35 A 51+

- Services for the treatment of sexual dysfunction or inadequacies, including therapy, supplies, counseling and prescription drugs.
- · Special duty nursing.
- Therapy or rehabilitation other than those listed as covered in the plan documents.
- Weight control services including surgical procedures, medical treatments, weight control/loss programs, dietary
 regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise
 programs, exercises or other equipment; and other services and supplies that are primarily intended to control weight
 or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of existence of comorbid
 conditions.

This material is for informational purposes only and is not an offer or invitation to contract. An application must be completed to obtain coverage. Plan features and availability may vary by location and group size. Not all heath services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features are subject to change. With the exception of Aetna Rx Home Delivery, Providers are independent contractors and are not agents of Aetna. Provider participation may change without notice. Aetna does not provide care or guarantee access to health services. If you are in a plan that requires the selection of a primary care physician and your primary care physician is part of an integrated delivery system or physician group, your primary care physician will generally refer you to specialists and hospitals that are affiliated with the delivery system or physician group.

If your plan covers outpatient prescription drugs, your plan may include a drug formulary (preferred drug list). A formulary is a list of prescription drugs generally covered under your prescription drug benefits plan on a preferred basis subject to applicable limitations and conditions. Your pharmacy benefit is generally not limited to the drugs listed on the formulary. The medications listed on the formulary are subject to change in accordance with applicable state law. For information regarding how medications are reviewed and selected for the formulary, formulary information, and information about other pharmacy programs such as precertification and step-therapy, please refer to Aetna's website at Aetna.com, or the Aetna Medication Formulary Guide. Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. In addition, in circumstances where your prescription plan utilizes copayments or coinsurance calculated on a percentage basis or a deductible, use of formulary drugs may not necessarily result in lower costs for the member. Members should consult with their treating physicians regarding questions about specific medications. Refer to your plan documents or contact Member Services for information regarding the terms and limitations of coverage.

Aetna Rx Home Delivery refers to Aetna Rx Home Delivery, LLC, a subsidiary of Aetna, Inc., that is a licensed pharmacy providing mail-order pharmacy services. Aetna's negotiated charge with Aetna Rx Home Delivery may be higher than Aetna Rx Home Delivery's cost of purchasing drugs and providing mail-order pharmacy services.

In case of emergency, call 911 or your local emergency hotline, or go directly to an emergency care facility.

"Aetna" is the brand name used for products and services provided by one or more of the Aetna group subsidiary companies.
