TPA/ASO Name: Prefilled to ConnectiCare Insurance Company, Inc.

TPA/ASO FEIN: Prefilled to 06-1618303

The Signature of the chief financial officer or other duly authorized individual binds the payor to make direct pool payments for all its public goods funding obligations, file reports and remit funds in conformance with the Health Care Reform Act (HCRA) provisions and Department requirements, and represents an agreement as to the jurisdiction of the State for purposes of enforcing payments required under Public Health Law sections 2807-j and 2807-t. This does not, in any way, preclude a payor from litigating other issues in Federal court such as ERISA based challenges, etc.

Instructions for page 3:

This form must be completed by all payors making an election and represents a payor's attestation of the coverage it provides. A payor electing to pay the Department's Office of Pool Administration directly is making an election for all its coverages for which it assumes risk for the payment of medical claims. Payors utilizing multiple third-party administrators (TPA)/administrative services only (ASO) organizations must complete a Coverage Information form for each TPA/ASO.

- In each payor category which applies, the payor should mark an "X" in each column to indicate that the payor provides such coverage. Each box marked with an "X" represents the coverages that it assumes risk for. As stated before, a payor is required to elect for all coverages for which it assumes risk for the payment of medical claims. Shaded areas should not be checked.
- If an Article 43 NYS Insurance Law corporation or licensed commercial insurer has a separate incorporation for its Article 44 NYS Public Health Law business, that corporation must check the appropriate boxes on a single election form. Otherwise, the Article 44 NYS Public Health Law business is considered to be a product line of the Article 43 or commercial payor and the payor is required to make a single election for this and all other types of coverage provided by the corporation. A payor, who does not fall into any of the categories listed, should check "Other" in the payor identification section and explain their payor type in the space provided.

ADDENDUM

Business Associate Agreement

This Business Associate Agreement (the "Agreement"), is hereby made by and between CBIASC Service Corporation, a Connecticut corporation ("CBIASC"), and the "Covered Business", an entity registered to do business in Connecticut, each individually a "Party" and together the "Parties".

- A. The purpose of this Agreement is to comply with the Health Insurance Portability and Accountability Act of 1996, as amended by sections 13400 through 13424 of the Health Information Technology for Economic Clinical Health Act ("HITECH") (the 1996 Act as amended by HITECH is referred to herein as "HIPAA"), the associated regulations, 45 CFR Part 160 and Part 164, Subparts A and E ("Privacy Regulations") and 45 CFR Parts 160, 162, and 164, Subpart C ("Security Regulations"), as may be amended, and other guidance that may be issued by the federal Department of Health and Human Services (all of the above laws, rules, regulations and guidance are collectively referred to herein as "HIPAA Rules").
- B. Covered Business and CBIASC have entered into this Agreement because Covered Business may disclose Protected Health Information ("PHI") to CBIASC in connection with services provided to Covered Business, and CBIASC may create, maintain or disclose PHI on behalf of Covered Business (the "Services").
- C. HIPAA requires Covered Business to obtain written assurances from CBIASC that CBIASC will appropriately safeguard the PHI.

Now, therefore, in consideration of the mutual promises set forth below and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

1. Definitions.

- 1.1 Terms used, but not otherwise defined, in this Agreement shall have the same meaning as those terms in the Privacy and Security Regulations.

2. General Permitted Uses and Disclosures, and Obligations of CBIASC and Covered Business.

- 2.1 CBIASC may use or disclose PHI to perform functions, activities or services for, or on behalf of, Covered Business as specified in the Privacy Regulations, this Business Associate Agreement and any underlying Agreements between the parties or as otherwise

required by law. CBIASC will not use or disclose PHI in a manner (i) inconsistent with Covered Business's or its own obligations under the Privacy Regulations, or (ii) that would violate the Privacy Regulations if disclosed or used in such a manner by Covered Business.

- 2.2 CBIASC hereby acknowledges and agrees that it will comply with the requirements set forth in the HIPAA Rules commencing on the applicable effective date of each such provision and that such requirements are incorporated by reference into this Agreement.
- 2.3 CBIASC agrees to comply with all appropriate federal and state security and privacy laws which may be applicable to PHI provided to CBIASC by Covered Business to the extent such laws may be more protective of individual privacy than the HIPAA Rules.
- 2.4 CBIASC may use PHI for the proper management and administration of the CBIASC or to carry out the legal responsibilities of CBIASC, provided the disclosures are required by law, or CBIASC obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person and the person notifies CBIASC of any instances of which it is aware in which the confidentiality of the information has been breached.
- 2.5 CBIASC agrees to limit its uses and disclosures and requests for PHI to the minimum necessary required to perform its obligations in accordance with 45 CFR §164.502(b).
- 2.6 To the extent CBIASC is to carry out one or more of Covered Business's obligations under Subpart E of 45 CFR Part 164, CBIASC agrees to comply with the requirements of Subpart E that apply to Covered Business in the performance of such obligation(s).
- 2.7 Covered Business will not disclose PHI to CBIASC except to the extent permitted under the Privacy Rule and will limit disclosure to the minimum necessary for purposes of the services provided by CBIASC. Covered Business will not request CBIASC to take any action that would violate the HIPAA rules and related regulations if that action would violate those rules if done by Covered Business. Covered Business will promptly advise CBIASC of any additional limits or restrictions placed on PHI disclosed to CBIASC.

3. Safeguards for the Protection of PHI.

- 3.1 CBIASC will implement and maintain commercially appropriate security safeguards to ensure that PHI is not used or disclosed by CBIASC, its employees, agents or subcontractors in violation of this Agreement.
- 3.2 CBIASC agrees to implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any electronic PHI that is created, received, maintained or transmitted by CBIASC under this Agreement. CBIASC will comply with the applicable requirements of the Security Regulations.

4. Reporting Unauthorized Uses and Disclosures.

CBIASC will report to Covered Business within five (5) days any use or disclosure of PHI not provided for by this Agreement of which it becomes aware, and CBIASC also agrees to report to Covered Business any Security Incident within five (5) days of its becoming aware of a Security Incident. A "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system. Notwithstanding the foregoing, CBIASC and Covered Business acknowledge the ongoing existence and occurrence of attempted but unsuccessful Security Incidents that are trivial in nature, such as pings and port scans, and Covered Business acknowledges and agrees that no additional notification to Covered Business of such unsuccessful security incidents is required. However, to the extent CBIASC becomes aware of an unusually high number of such unsuccessful Security Incidents due to the repeated acts of a single party, or related parties, then CBIASC shall notify Covered Business of these attempts, and provide the names, if available, of said parties. Also, CBIASC will report to Covered Business within five (5) days any Breach of Unsecured PHI, as defined in § 164.402, in accordance with the requirements of 45 C.F.R. § 164.410.

5. Use by and Disclosure to Subcontractors, Agents, and Representatives.

CBIASC will require that any agents, vendors, or subcontractors of CBIASC to whom it provides PHI that is subject to this Agreement, agree to the same restrictions and conditions that apply to CBIASC with respect to such information [§ 164.504(e)(2)(ii)(D)], and CBIASC will enter into appropriate Business Associate Agreements with any subcontractors it may use in providing its services.

6. Individual Rights and Accounting of Disclosures.

- 6.1 As directed by the Covered Business, CBIASC shall make available PHI to the individual in accordance with 45 CFR §164.524 and incorporate any amendments to the PHI. If CBIASC maintains PHI in an electronic health record, CBIASC agrees to provide an electronic copy to the individual upon request.
- 6.2 CBIASC shall document all disclosures of PHI and any information related to such disclosures as would be required for Covered Business to respond to a request by an individual for an accounting of disclosures of PHI in accordance with the Privacy Regulations.
- 6.3 CBIASC agrees to provide to Covered Business, in a time and manner designated by Covered Business, information to permit Covered Business to respond to a request by an individual for an accounting of disclosures of PHI in accordance with the Privacy Regulations.

7. Audit, Inspection and Enforcement.

With reasonable notice, CBIASC agrees to make internal practices, books and records, including policies and procedures relating to the use and disclosure of PHI received from Covered Business, or created or received by CBIASC on behalf of Covered Business, available to the Covered Business and the Secretary of the Department of Health and Human Services ("Secretary") to monitor compliance with the HIPAA Rules. CBIASC shall promptly correct any violation of the HIPAA Rules or this Agreement found by Covered Business, according to Covered Business's guidelines, and shall certify to Covered Business, in writing that it made the correction. Covered Business's failure to detect any unsatisfactory practice does not constitute acceptance of the practice or a waiver of Covered Business's enforcement rights under this Agreement.

8. Obligations of Covered Business to Inform CBIASC of Privacy Practices and Restrictions.

- 8.1 Covered Business shall provide CBIASC with its Notice of Privacy Practices in accordance with the Privacy Regulations, as well as any changes to such Notice.
- 8.2 Covered Business shall notify CBIASC of any changes in, or revocation of, any Authorizations by individuals to use or disclose PHI, if such changes affect CBIASC's permitted or required uses and disclosures.

- 8.3 Covered Business shall notify CBIASC of any restriction to the use or disclosure of PHI that Covered Business has agreed to in accordance with the Privacy Regulations, if the restriction affects CBIASC's permitted or required uses and disclosures.

9. Term and Termination.

- 9.1 Term. This Agreement shall be effective as of the date of the Employer Participation Agreement, and shall terminate when all the PHI provided by Covered Business to CBIASC, or created or received by CBIASC on behalf of Covered Business, is destroyed or returned to Covered Business. If it is infeasible to return or destroy PHI, the protections herein are extended to such information, in accordance with the termination provisions in Section 9.3.
- 9.2 Termination for Cause. If either party is determined to have materially breached the HIPAA regulations or this Agreement, the non-breaching party may terminate the Agreement if the breaching party fails to cure the breach upon written notice from the non-breaching party.
- 9.3 Effect of Termination. Upon termination of this Agreement, if feasible, CBIASC will return or destroy all PHI received from Covered Business or created or received by CBIASC on behalf of Covered Business that CBIASC still maintains in any form and retain no copies of such information, or if such return or destruction is not feasible, CBIASC will extend the protections of this Agreement to the information retained and limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible [§ 164.504(e)(2)(ii)(I)].

10. Miscellaneous.

- 10.1 Regulatory References. A reference in this Agreement to the Privacy or Security Regulations means the Privacy or Security Regulations in effect or as amended.
- 10.2 Amendment. This Agreement cannot be amended except by the mutual written agreement of CBIASC and Covered Business.
- 10.3 Waiver. A waiver of a breach of this Agreement shall not be deemed to be a waiver of a breach of any other provision of this Agreement, or of a future waiver of any subsequent breach of the same provision.
- 10.4 No Third Party Beneficiaries This Agreement is intended for the sole benefit of CBIASC and Covered Business and does not create

any third-party beneficiary rights, except as to the extent that the Privacy Rule validly requires the Secretary of the Department of Health and Human Services or any other person to be a third-party beneficiary to this Agreement.

- 10.5 Notices. Any notice to be given under this Agreement to a Party shall be made via Certified U.S. Mail, return receipt requested, commercial courier with receipt verification, or by hand delivery to, CBIASC at: CBIA Service Corporation, 350 Church Street, Hartford, CT 06103, or to Covered Business at the address provided in Section 1 of the Employer Participation Agreement, or to such other address as shall be specified by the applicable party in the future.
- 10.6 Entire Agreement. This Agreement constitutes the entire understanding among the parties with respect to its subject matter. If the terms of this Agreement are inconsistent with the terms of any present or future underlying service or sale agreement between the parties, the terms of this Agreement shall control.
- 10.7 Interpretation. Any ambiguity in this Agreement shall be resolved to permit Covered Business to comply with the Privacy and Security Regulations.
- 10.8 Choice of Law. This Agreement shall be governed by the laws of the State of Connecticut, without regard to any statute or case law on choice of laws.
- 10.9 Venue. Each party hereby designates the Connecticut Superior Courts or the United States District Courts for the District of Connecticut, as the exclusive courts of proper jurisdiction and venue of and for any and all litigation relating to this Agreement; hereby irrevocably consents to such designation, jurisdiction and venue; and hereby waives any objection or defense relating to jurisdiction or venue with respect to any lawsuit or other legal proceeding commenced in or transferred to the Connecticut Superior Courts or the United States District Courts for the District of Connecticut.
- 10.10 Severability. In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect. In addition, in the event either Party believes in good faith that any provision of the Agreement fails to comply with the then-current requirements of the HIPAA rules or regulations, such party so shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and shall amend the terms of

this Agreement, if necessary to bring it into compliance. If after such thirty (30) day period, the Agreement fails to comply with the HIPAA rules or regulations with respect to the concern(s) raised pursuant to this Paragraph, then either party has the right to terminate this Agreement upon written notice to the other party.

- 10.11 Implementation of HIPAA. The parties acknowledge that HIPAA has undergone many changes. These changes may be further clarified in future regulations and guidance. Each party agrees to comply with the applicable provisions of HIPAA and any implementing regulations issued thereunder and to negotiate in good faith to modify this Agreement as reasonably necessary to comply with implementing regulations, as they become effective; provided, however, that if the parties are unable to reach agreement on such a modification, either party shall have the right to terminate this Agreement upon thirty (30) days prior written notice to the other party.
- 10.12 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall comprise one and the same instrument. Delivery of a copy of the Employer Participation Agreement bearing an original signature by facsimile transmission, by electronic mail in "portable document format" (".pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.
